Introducing great crested newt District Licensing

Better for newts, better for you

Learn how this new scheme operating across the South Midlands* can help speed up your development. Get on site faster and apply all year round – there's no need to wait for the short great crested newt survey window.

Free seminar

Thursday 19th September 1.00-3.00pm

Cheltenham Borough Council - Council Chamber, Municipal Offices on the Promenade, GL50 9SA

This seminar is CPD relevant, particularly aimed at developers and their advisors, planning agents and planning consultants. Refreshments will be provided, and a Q&A session is included.

To attend the session and/or find out more about District Licensing RSVP to indea.chawk@naturespaceuk.com – Spaces are limited

***The scheme applies to Aylesbury Vale, Bedford Borough, Central Bedfordshire, Cheltenham, Cherwell, Cotswold, Forest of Dean, Gloucester City, Milton Keynes, Oxford City, South Northamptonshire, South Oxfordshire, Stroud, Tewkesbury, Vale of the White Horse and West Oxfordshire Councils.**
