District Licensing Seminar

Better for newts, better for you

Learn how this new scheme operating across the South
Midlands* can help your development

Monday 21st October 2019

Milton Keynes Council - Council Chamber, Civic Offices, MK9 3EJ.

12.00-16.30hrs

This seminar is CPD relevant, with refreshments provided and includes Q&A sessions. There is no cost for attending. The seminar will be split into two sessions:

12.30 hrs - Session 1: Development and Planning

A focus on how the scheme works, how to enter and the benefits for developers. This session will include 'The Greenest City in the World' vision paper and addresses from Milton Keynes Council and NatureSpace Partnership

14.30 hrs - Session 2: The Conservation Scheme

A focus on the conservation objectives, compensation delivery and early monitoring results. This session will include addresses from Milton Keynes Council, NatureSpace Partnership and the South Midlands Newt Conservation Partnership

Places are allocated on a first come first served basis and are available for either or both sessions.

To attend the session and/or find out more about District Licensing please
